

1 Corinthians Session 18: **We Will Be Different**

September 28th – 1 Corinthians 15:35ff

Have you ever been at a loss to understand something? To keep from looking ignorant, we have a tendency to dispute the truth of what seems weird.

This seems to be the approach the Corinthians take to the resurrection of the body. How could I be resurrected if even my bones are scattered? How could I live forever in a body? Paul takes time to explain the change taking place when believers are resurrected.

Whisper

Mark
Batterson

Many people have a tough time believing that God still speaks. We've learned from Scripture that God spoke to His people in ancient times and in mysterious ways, but how do we hear His voice now? The truth is God still communicates with His people, but He often speaks in a whisper—not to make it difficult to hear Him, but to draw us close.
