

Study in Daniel

Daniel 2:26-45 – Diminishing Statue

The dream, which Nebuchadnezzar was so eager to have interpreted, is about a statue of gold, silver, bronze, and iron/clay. Through this God reveals the history of gentile empires until the end times. All of these empires are historical, but the final empire is not yet finished. What are we to make of the prophesied stone, which crushes the gentile empires?

- What new stones do you need to add?

Bridge of Faith Core Values

Bridge of Faith Baptist Church aims to be a place . . .

- where the Word of God directs our teaching and is applied to our daily lives so that we may become more like Christ;
- where individuals come together to share their lives, learn and grow, draw closer to Christ, and serve in a safe and encouraging environment;
- where every individual is valued and acknowledged because we are all made in the image of God;
- where believers are encouraged to serve others and to share their faith.
